## DESCRIPTION OF DATA ELEMENTS

This section contains an alphabetical listing of all the data elements that will be reported by school districts, followed by a definition page for each data element. The pages are presented in data element ID sequence. A description of the information found on each definition page is as follows.

Information	Description

Data Element	Name of the data element
Date Issued	Date the element was added to the PEIMS database
Date Updated	Date of the last change to the data element
XML Name	XML name or tag for the data element as found in the XML schema
Complex Type	Name of the related XML complex type as found in the XML schema
Definition	Meaning of the data element
Special Instructions	Additional edit criteria for the data element, when applicable
Code Table ID	Reference number of the table that lists the valid codes, if any, for this data element. It has the forms "C---" or "DC---". <ul style="list-style-type: none"> <li>• "C---" which represents the PEIMS Code Tables</li> <li>• "DC---" which represents the Dashboard Code Tables</li> </ul>
Mandatory in XML	Indication whether the field is mandatory or optional in the XML schema. <ul style="list-style-type: none"> <li>• Yes - the element is required</li> <li>• No - the element is optional and may be left blank unless specified otherwise in a validation rule</li> </ul>

E0760	PERCENT-DAY-EMPLOYED			04/02/1987	3/2/1998
XML Name			Complex Type		
TX-PercentDayEmployed			StaffEducationOrgEmploymentAssociationExtension		
Definition					
<p>PERCENT-DAY-EMPLOYED is that percentage of a standard district work day for which the employee is hired to work. For an employee on contract, the percentage may be determined directly from the contract: full-time = "100"; half-time = "050"; and so on. For an employee who is not on contract, the percentage may be determined as follows.</p> <p>Example: The standard work day for the district is 7 hours. An employee is hired to work for 4 hours a day. This data element is coded as "057" for this employee because <math>4/7 = .571</math>, which is rounded down.</p>					
Special Instructions					
<p>The value reported must be a whole number. If the computed value is greater than ".##50...", use rounding to the next higher percent to avoid the use of decimals or fractions. For example, .6251 is reported as "063".</p>

#### Definition

The purpose of state compensatory education (SCE) is to supplement the basic – or regular – education program with compensatory accelerated instruction in order to reduce any disparity in performance on assessment instruments administered under Subchapter B, Chapter 39 TEC, or disparity in the rates of high school completion between students at risk of dropping out of school and all other LEA students. The program requires Texas local education agencies (LEAs) to offer direct supplemental accelerated instruction to each student who meets one or more statutory or locally-defined eligibility (“at risk”) criteria. State Compensatory Education (SCE) program mandates and references can be found in the Texas Education Code (TEC) [§29.081](#), [§28.0217](#), [§29.089](#) and [§42.152](#). LEA’s are required to serve each student who meets the statutory eligibility criteria regardless of whether the district receives funds under [TEC §42.152](#). The AT-RISK-INDICATOR-CODE indicates whether a student is currently identified as “at-risk” of not meeting standards or dropping out of school using state-defined criteria (TEC §29.081, Compensatory and Accelerated Instruction). Local criteria are not included in this indicator code. A student “at-risk of dropping out of school” includes each student who is under 26 years of age and who:

1. was not advanced from one grade level to the next for one or more school years; [excludes prekindergarten or kindergarten students who were not advanced as a result of a documented request by the student’s parent under TEC 29.081 (d-1).]
2. is in grade 7, 8, 9, 10, 11, or 12 and did not maintain an average equivalent to 70 on a scale of 100 in two or more subjects in the foundation curriculum during a semester in the preceding or current school year or is not maintaining such an average in two or more subjects in the foundation curriculum in the current semester;
3. did not perform satisfactorily on an assessment instrument administered to the student under TEC Subchapter B, Chapter 39, and who has not in the previous or current school year subsequently performed on that instrument or another appropriate instrument at a level equal to at least 110 percent of the level of satisfactory performance on that instrument;
4. is in prekindergarten, kindergarten or grade 1, 2, or 3 and did not perform satisfactorily on a readiness test or assessment instrument administered during the current school year;
5. is pregnant or is a parent;
6. has been placed in an alternative education program in accordance with TEC §37.006 during the preceding or current school year;
7. has been expelled in accordance with TEC §37.007 during the preceding or current school year;
8. is currently on parole, probation, deferred prosecution, or other conditional release;
9. was previously reported through the Public Education Information Management System (PEIMS) to have dropped out of school;
10. is a student of limited English proficiency, as defined by TEC §29.052;
11. is in the custody or care of the Department of Protective and Regulatory Services or has, during the current school year, been referred to the department by a school official, officer of the juvenile court, or law enforcement official;
12. is homeless, as defined by [42 U.S.C. Section 11302](#), and its subsequent amendments ; or
13. resided in the preceding school year or resides in the current school year in a residential placement facility in the district, including a detention facility, substance abuse treatment facility, emergency shelter, psychiatric

To be eligible under the federal definitions listed above, the child must have a current Certificate of Eligibility (COE) on file at the district or regional education service center completed and signed by an individual trained by the Texas Migrant Education Program (MEP). The district should ensure that all school-aged children coded on PEIMS and all children listed on the COE should match. Questions regarding eligibility, program qualification, etc. should be directed to the migrant funded staff at the regional education service center.

0 The Student Attends A School That Is Not Designated By The District As A Title I, Part A School And The Student Does Not Receive Any Services Funded By Title I, Part A, Or The Student Attends A Title I, Part A Targeted Assistance School, But Does Not Presently Participate In Services Funded By Title I, Part A And Has Not Previously Participated In Title I, Part A Services At The School In Which The Student Is Currently Enrolled

A The Student Resides In A Facility For The Neglected, Attends A Non-Title I Campus, And Receives Title I, Part A Services Through A Title I; Part A Program That Is Run Through The Central Administration Office.  
 “Neglected” students are those who reside in a public or private residential (children are under 24-hour care) facility that is operated primarily for the care of children who have been committed to, or voluntarily placed in, the facility because of abandonment, neglect, or death of parents. These students are coded as “A” if they do not attend a schoolwide or targeted assistance campus. Such students who attend a Title I campus would be coded “6,” or “7,” as appropriate; if they attend a non-Title I campus or if the district provides instructional services to the student at the facility, they should be coded “A.” LEAs would only code students as “A” in one of the following circumstances:

- The LEA received a “neglected share” as part of its Title I, Part A entitlement and provided Title I, Part A services to one or more neglected students attending a non-Title I campus; or
- The LEA may not have received a “neglected share,” but a facility for the neglected opened within the LEA’s boundaries since the last October survey of facilities for the neglected was conducted. In this case, the LEA would report the address of the facility to the Division of Formula Funding at TEA so that a survey would be generated for that facility during the next survey period. If a student residing in this facility attended a non-Title I campus and the LEA provided Title I, Part A services to the student, the LEA would code the student as “A”.

6 The Student Attends A Title I, Part A Schoolwide Program School.

7 The Student Attends A Title I, Part A Targeted Assistance School And Participates In Title I, Part A Programs And/Or Services.

8 The Student Attends A Title I, Part A Targeted Assistance School And Does Not Currently Participate In Title I, Part A Programs And/Or Services, But Previously Participated In Title I, Part A Programs And/Or Services At This School.

- 0 Student is **not homeless** at any time during current school year
- 2 Student lives temporarily **doubled-up** (sharing residence with a family or individual) at any time during current school year  
**Doubled-Up** (e.g., living with another family) is defined as sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason. This classification requires a case-by-case determination.
- 3 Student is **unsheltered** (i.e, lives on the street, lives in cars, parks, campgrounds, temporary trailers [including FEMA trailers], or abandoned buildings) at any time during current school year  
**Unsheltered** is defined as a nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. It includes such places as cars, parks, campgrounds (if they live there because they lack an alternative accommodation), temporary trailers (if they live there because they lack an alternative accommodation), abandoned buildings, and substandard housing. Substandard housing may be determined by local building codes, community norms, and/or a case-by-case determination as to whether the accommodation is a “fixed, regular, and adequate nighttime residence.”
- 4 Student lives in **motel or hotel** at any time during current school year  
 Students who stay at a motel or hotel are considered homeless if they reside there because they have lost their housing, lack an alternative accommodation, and do not have a “fixed, regular, and adequate nighttime residence.”
- 5 Student lives in a **shelter**, transitional housing at any time during current school year.  
**Shelters** are defined as supervised publicly or privately operated facilities designed to provide temporary living accommodations. The shelters category for homeless students includes emergency shelters, family shelters, domestic violence shelters, youth shelters, and transitional housing programs. The shelters category for homeless students **does not** include residential treatment facilities, Title I Neglected or Delinquent facilities, or TJJD facilities.
