DESCRIPTION OF DATA ELEMENTS

This section contains an alphabetical listing of all the data elements that will be reported by school districts, followed by a definition page for each data element. The pages are presented in data element ID sequence. A description of the information found on each definition page is as follows.

Information	Description
Data Element ID	Data element reference number in the form "E----"
Data Element	Name of the data element
Date Issued	Date the element was added to the PEIMS database
Date Updated	Date of the last change to the data element
XML Name	XML name or tag for the data element as found in the XML schema
Complex Type	Name of the related XML complex type as found in the XML schema
Definition	Meaning of the data element
Special Instructions	Additional edit criteria for the data element, when applicable
Code Table ID	Reference number of the table that lists the valid codes, if any, for this data element. It has the forms "C---" or "DC---". <ul style="list-style-type: none"> • "C---" which represents the PEIMS Code Tables • "DC---" which represents the Dashboard Code Tables

	Is Collected	Indicates whether the data element is reported for a specific collection period.
	Mandatory	Indication whether the data element is mandatory or optional for PEIMS reporting. When submitting for Dashboards, the data elements identified as mandatory are based on the submission of the complex type. When submitting for PEIMS, the data elements identified as mandatory are based on the collection period and the submission of the complex type. <ul style="list-style-type: none"> Yes - the element is required; NA may be entered if data are not available/applicable No - the element is optional and may be left blank unless specified otherwise in a business rule or validation. <p>Note: If a field is shown as not required but data are available and relevant to the accuracy and completeness of the student record or transcript, it is the responsibility of the campus to include these data. E0760	PERCENT-DAY-EMPLOYED	04/02/1987	3/1/2019	
XML Name		Complex Type		
TX-PercentDayEmployed		StaffEducationOrgEmploymentAssociationExtension		
Definition				
<p>PERCENT-DAY-EMPLOYED is that percentage of a standard district work day for which the employee is hired to work. For an employee on contract, the percentage may be determined directly from the contract: full-time = "100"; half-time = "50"; and so on. For an employee who is not on contract, the percentage may be determined as follows.</p> <p>Example: The standard work day for the district is 7 hours. An employee is hired to work for 4 hours a day. This data element is coded as "57" for this employee because $4/7 = .571$, which is rounded down.</p>				
Special Instructions				
<p>The value reported must be a whole number. If the computed value is greater than ".##50...", use rounding to the next higher percent to avoid the use of decimals or fractions. For example, .6251 is reported as "63".</p>

DISCIPLINARY-INCIDENT-NUMBER designates an incident that occurs on a campus and results in one or more disciplinary actions for one or more students.				
Special Instructions				
If, on a single campus, more than one student is involved in an incident that results in disciplinary action(s), all of the 425 records for all the students must show the same incident number. Each district/campus must develop a system for assigning incident numbers. The same incident numbers can be used on multiple campuses, since incident numbers are required to be unique at a campus, but not for the district.

DESCRIPTION OF CODES

This section contains an alphabetical listing of the names of the code tables used with the data elements described in TEDS Sections 2 and 3. The code tables are arranged in code table ID number sequence.

The code tables translate the code values and explain the translations where necessary. A description of the information to be found in each code table is as follows.

Information	Description
Code Table ID	Code table reference number in the form <ul style="list-style-type: none">• "C---" which represents the PEIMS Code Tables• "DC---" which represents the TSDS Dashboard Code Tables Note that some C--- code tables are used by TSDS collections and some DC--- code tables are used by PEIMS collections.
Name	Name of the code table
XML Name	XML name or tag for the data element as found in the XML schema
Date Issued	Date the code was published
Date Updated	Date of the last change to the code table
Code	A string of characters which represents the translation

0 The Student Attends A School That Is Not Designated By The District As A Title I, Part A School And The Student Does Not Receive Any Services Funded By Title I, Part A, Or The Student Attends A Title I, Part A Targeted Assistance School, But Does Not Presently Participate In Services Funded By Title I, Part A And Has Not Previously Participated In Title I, Part A Services At The School In Which The Student Is Currently Enrolled

A The Student Resides In A Facility For The Neglected, Attends A Non-Title I Campus, And Receives Title I, Part A Services Through A Title I; Part A Program That Is Run Through The Central Administration Office.
 “Neglected” students are those who reside in a public or private residential (children are under 24-hour care) facility that is operated primarily for the care of children who have been committed to, or voluntarily placed in, the facility because of abandonment, neglect, or death of parents. These students are coded as “A” if they do not attend a schoolwide or targeted assistance campus. Such students who attend a Title I campus would be coded “6,” or “7,” as appropriate; if they attend a non-Title I campus or if the district provides instructional services to the student at the facility, they should be coded “A.” LEAs would only code students as “A” in one of the following circumstances:

- The LEA received a “neglected share” as part of its Title I, Part A entitlement and provided Title I, Part A services to one or more neglected students attending a non-Title I campus; or
- The LEA may not have received a “neglected share,” but a facility for the neglected opened within the LEA’s boundaries since the last October survey of facilities for the neglected was conducted. In this case, the LEA would report the address of the facility to the Division of Formula Funding at TEA so that a survey would be generated for that facility during the next survey period. If a student residing in this facility attended a non-Title I campus and the LEA provided Title I, Part A services to the student, the LEA would code the student as “A”.

6 The Student Attends A Title I, Part A Schoolwide Program School.

7 The Student Attends A Title I, Part A Targeted Assistance School And Participates In Title I, Part A Programs And/Or Services.

8 The Student Attends A Title I, Part A Targeted Assistance School And Does Not Currently Participate In Title I, Part A Programs And/Or Services, But Previously Participated In Title I, Part A Programs And/Or Services At This School.

- 0 Student is **not homeless** at any time during current school year
- 2 Student lives temporarily **doubled-up** (sharing residence with a family or individual) at any time during current school year
Doubled-Up (e.g., living with another family) is defined as sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason. This classification requires a case-by-case determination.
- 3 Student is **unsheltered** (i.e, lives on the street, lives in cars, parks, campgrounds, temporary trailers [including FEMA trailers], or abandoned buildings) at any time during current school year
Unsheltered is defined as a nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. It includes such places as cars, parks, campgrounds (if they live there because they lack an alternative accommodation), temporary trailers (if they live there because they lack an alternative accommodation), abandoned buildings, and substandard housing. Substandard housing may be determined by local building codes, community norms, and/or a case-by-case determination as to whether the accommodation is a “fixed, regular, and adequate nighttime residence.”
- 4 Student lives in **motel or hotel** at any time during current school year
 Students who stay at a motel or hotel are considered homeless if they reside there because they have lost their housing, lack an alternative accommodation, and do not have a “fixed, regular, and adequate nighttime residence.”
- 5 Student lives in a **shelter**, transitional housing at any time during current school year.
Shelters are defined as supervised publicly or privately operated facilities designed to provide temporary living accommodations. The shelters category for homeless students includes emergency shelters, family shelters, domestic violence shelters, youth shelters, and transitional housing programs. The shelters category for homeless students **does not** include residential treatment facilities, Title I Neglected or Delinquent facilities, or TJJD facilities.
